

# Guardian Foundation: Community News Reporting

**Register here**

## Pre-delivery

45 minute virtual training and project briefing with teachers (virtual)

## Session 1

90 minute session covering; what is news, mis and disinformation and the difference between factual and opinion reporting.

Session resources can be used by participating teachers to deliver media literacy with young people in participating schools not involved in direct project delivery.

## Session 2

90 minute session covering; how stories are selected, how to research pitch and report their local news stories.

## Post-delivery

30 minute virtual Q&A / editorial session with journalist

## Post-delivery

Lead teacher submits local stories.

## Showcase

Opportunity to attend virtual or in-region showcase to celebrate success, Q&A with journalists and explore media opportunities.

## Next steps

Access to bank of resources to continue media and news literacy learning in schools.

**Free of charge!**
